

Mission Statement

In keeping with the school's motto "Every person is the architect of his/her own future", Linpark's mission is to establish itself as a Leading Comprehensive School, with a Technical Bias, by providing an environment in which individuals coming from all races, cultures and backgrounds are empowered to develop their unique potential, whether it be in the field of Technology, Commerce or Academics.

History

Linpark a co-ed school is situated on 13 hectares of land bordered by lush greenery. The environment is tranquil, and spacious with full sized sports fields, social areas, swimming pool, gymnasium, workshops, etc. We are situated in the suburb of Boughton.

Academic Life

Linpark is an English Medium School. It is divided into two bands: General Education and Training (GET) for Grades 8 and 9; the Further Education and Training (FET) for Grades 10, 11 and 12.

We are in the unique position to cater for the demands of academically minded learners who wish to attend universities or technikons, as well as the technically and commercially inclined who wish to enter the job market a short time after matriculating.

The (GET) General Education and Training:

Grades 8 and 9

The curriculum offered at this level is in accordance with the CAPS curriculum for Public Schools.

Subjects include: English Home Language with a choice of either Afrikaans or Zulu as the 1st Additional language, Social Sciences (SS), Technology (Tech), Mathematics, Natural Sciences (NS), Creative Arts (CA), Economics & Management Sciences (EMS) and Life Orientation(LIFE).

The (FET) Further Education and Training Phase:

Grades 10, 11 and 12

Compulsory Subjects:

- English - Home language
- Afrikaans or Zulu – 1st Additional language
- Mathematics or Mathematical Literacy
- Life Orientation

Choice Subjects: (1 from each group)

- Physical science or Business Studies or Computer Applications Technology
- Accountancy or Consumer Studies or Engineering Graphics & Design
- Life Sciences or Electrical Technology or Mechanical Technology or Civil Technology

Fields of Study:

Workshop subjects taught are ISO compliant as safety is of high importance.

Mechanical Technology

This combines Motor Mechanics with Fitting and Turning. Mechanical Technology provides for the growing demand for technically qualified people.

Linpark is sponsored by Toyota and practical workshops take place at The Toyota Workshop situated on the school premises.

The Toyota Workshop

Electrical Technology

This combines Electronics with electrical work. In Electronics, learners explore the world of light current circuitry through project building and lab experiments.

Civil Technology

This subject covers the theory and practical aspects of structures, aimed at increasing the number of people entering the fast growing building trade. It equips the learner with vital knowledge and practical abilities needed to be a useful part of any structure or business.

Computer Applications Technology

Linpark offers Computers in Grade 8 and 9 and Computer Applications Technology (CATN) in Grades 10, 11, and 12. We have an air-conditioned computer lab with full internet access and printers. In 2012 the Dept equipped an additional lab for CAD.

Consumer Studies

We have access to a fully functioning kitchen. Here they are equipped with skills that are vital in the Hotel Industry. New recipes are tried and tested by the learners.

Boarding Establishment

The hostel is home away from home. Overseen by a Hostel Superintendent, assisted by a matron, boarder mistress, catering manager and housekeepers.

The Media Centre

The school has a fully functioning Media Centre that is updated regularly. Learners have access to a wide variety of books and are encouraged to borrow books from the well stocked library on a regular basis.

Sports and Recreation

Linpark caters for a wide variety of sports. i.e. Swimming, Hockey, Rugby, Boys/Girls Soccer, Basketball, Cross- country, Cricket, Tennis, Netball and Water Polo. We also offer the following: Debating, Christians in Action, Choir, Rotary Interact Club, Excursions and Scouts

Basketball

Swimming

Rugby

Cricket nets
